

Reclaim Crypto

Welcome! You can raise a Reclaim Crypto request from the options provided.

What can we help you with?

Detailed Reclaim Request

Raise this request on behalf of *

Enter name or email...

Which cryptocurrency did you lose and how much? *

Provide us with full information: e.g. 2.0 BTC, 100.15 XRP, 1000.75332 ETH

Describe how you lost your cryptocurrency?

e.g. blocked account on exchange; hacked wallet; fake giveaway etc.

Where did you lose your cryptocurrency?

e.g. name of exchange, name of wallet, name of the website, name of scam etc.

When did you lose your cryptocurrency?

Provide us with wallet addresses from which you lost funds (separate them with commas).

e.g. your deposit wallet address from exchange; hacked wallet address; wallet address from which cryptocurrency was sent to scammer etc. Please do not provide us with a wallet address not associated with Show more...

If possible, provide us with the scammer's/hacker's wallet addresses (separate them with commas).

The address where your cryptocurrency has been sent

Please briefly describe in your own words how you lost your cryptocurrency.

Examples:

- My 2BTC was blocked on [name of exchange].
- My [name of the wallet] was hacked.
- I sent 1 BTC from my [name of the wallet] to a scam [name of the scam].

Please provide us with exact day (day/month/year) when you lost your cryptocurrency.

Examples:

- Date of the hack;
- Date of sending your cryptocurrency to a scammer;
- Date of sending your cryptocurrency to a fake giveaway;
- Date when you realized that your exchange account was blocked.

If possible, provide us with the scammer's/hacker's wallet address (the address where your cryptocurrency has been sent to).

Please provide us with the exact amount of each cryptocurrency you lost.

Please let us know where you lost your cryptocurrency (e.g. name of exchange). If you are not sure how you lost your cryptocurrency, please describe us what happened.

Describe:

- Where did you hold your cryptocurrency;
- Why do you think that your cryptocurrency was stolen;
- Who do you think stole your cryptocurrency;
- Do you have some suspicion where your cryptocurrency is currently held.

Provide us with wallet addresses of misappropriated funds (your deposit wallet from exchange; hacked wallet; wallet from which cryptocurrency was sent to a scammer etc.).

Please do not provide us with the wallet address not associated with the case.

If possible, please provide us with all transaction hashes connected to the case, separated with commas. (Each blockchain transaction has a unique hash dedicated only to the specific transaction e.g. hash used for Bitcoin is a 65-digit-hexadecimal number).

If possible, please provide us with transactions hashes connected to the case (separate them with commas).

Each blockchain transaction has a unique hash dedicated only for the transaction e.g. hash used for Bitcoin is a 65-digit-hexadecimal number

Is there anything else which may be helpful for us in the initial assessment of your claim and the case?

If so, attach claim on the bottom of the form

Have you already reported this case to law enforcement?

Who did you report the case to?

When did you report the case?

Have you received any response from law enforcement?

If yes, What response did you receive?

Have you reported this case to any other organisations, beyond law enforcement?

Who did you report the case to?

When did you report the case?

Have you received any response?

If yes, What response did you receive?

Have you already claimed insurance on the lost crypto?
