

## Reclaim Fork - Detailed Reclaim Request

Please be informed that we never take any recovery action before signing the contract with the participant. Once we decide that we can assist in the recovery of the lost cryptocurrency, we will propose an offer and agreement to the participants related to the accepted claims. An individual representative will be assigned to the accepted claims. Due to security reasons we advise to contact us only through our Reclaim Crypto Service Desk. If you have any questions related to the progress of your claim, fees, timeframe etc., please leave a comment under your claim in our Reclaim Crypto Service Desk and the members of the Reclaim Crypto Team will provide you with the answers to your questions.
